Self-Directed Services

The Arc of Monroe provides Self Direction, including IFI and Broker Services. Self direction gives individuals with developmental disabilities (or the people who support them) the ability to decide on a mix of supports and services that work best for their needs. They and their families choose how they receive them and who provides them.

**Self-directed services can help support people to:**

- Get a job
- Live safely and learn new skills
- Learn about and enjoy activities in their community
- Stay healthy and improve health

**Quick Facts:**

- The Arc of Monroe is providing IFI and Broker Services
- No age restrictions

To learn more about this service, contact the Community Outreach Coordinator at (585) 672-2222.
